

RaNa

Web3 Content Creator & Community Builder

Dhaka, Bangladesh | @EwrRanaSk (X/Twitter) | socialwork321sk@gmail.com

SUMMARY

Web3 content creator and community builder with hands-on experience across DeFi, RWA, stablecoin, AI-crypto, and blockchain infrastructure projects. Skilled at turning complex technical concepts into clear, engaging content, conducting independent project research, and building active, well-managed communities across Discord and Telegram.

CORE SKILLS

- Content Creation (Threads, Articles, Copy)
- Content & Project Research
- Social Media Strategy
- Community Building & Engagement
- Discord & Telegram Moderation

EXPERIENCE

Web3 Content Creator & Ambassador

Multiple Web3 Projects | Ongoing

- Produced Twitter threads, long-form articles, and campaign copy for blockchain, DeFi, and infrastructure projects.
- Conducted independent research on project mechanics and market positioning prior to content creation.
- Managed and moderated Discord and Telegram communities, maintaining active engagement and a spam-free environment.
- Collaborated with project teams on brand storytelling, campaign ideas, and creative content direction.
- Delivered consistent, human-sounding content across multiple projects simultaneously, adapting tone and depth to each audience.
